

ACCESS

READERS

Long Range Card Reader,

OCB-101GE

FEATURES

- Dimension: L114mm x w75mm x H17mm
- Power: DC9-12V; Static current: 50-60mA
- Working Frequency: 125KHz
- Induction Distance: ID card 100mm-150mm; IC card 50mm-80mm
- Transmitting Distance: Wiegan 100-200m; RS485<1200mm
- ESD Interrupt: Air-Gap Discharge 9Kv<contact discharge 6Kv
- Environment Temperature: -40°C - 80°C
- Working temperature - 20°C- 60°C
- Relative Humidity: 5% -98%
- Protection: With rubber waterproof and semiconductor lightningproof
